ON THE PASEO DEL BORN

NiviaBorn
Boutique Hotel

The unique and versatile spaces, the professionalism of the team and the unbeatable location will ensure your business meeting, corporate event or press conference is a great success.

THE SKY IN PALMA

Invite your guests to touch the sky (D + E)

The best views in Palma, on the hotel rooftop and overlooking the Paseo del Borne or the Cathedral. This is the ideal location for your event at a hotel in Palma de Mallorca: business cocktail, product launch, corporate lunch or a private party, as few places can offer you the opportunity to celebrate a private event with the splendid views of the Born behind you and the Mediterranean Sea as a backdrop.

There are two terraces, separated by a doorway, so that you can use each one independently or together with the doors open.

THE LOUNGE

Culinary refinement wrapped in glamour (A + B)

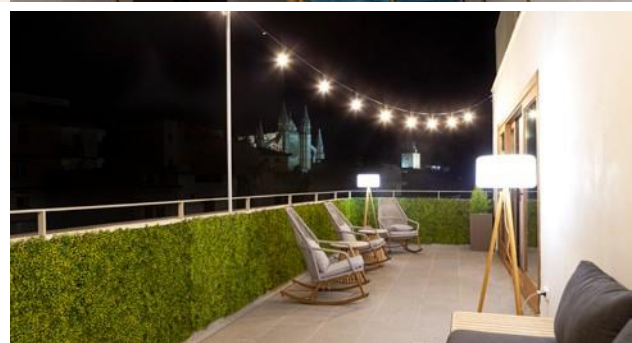

Celebrate your event in true 50s style. If it's glamour you're looking for, then The Lounge is the place for you. The design of the furnishings and the mid-century décor will lend an air of sophistication to your event. You can choose to use the interior or terrace only, or both.

THE CATHEDRAL TERRACE

The Cathedral as another guest (C)

Success is guaranteed when you celebrate your social or corporate event on the wonderfully traditional terrace with views of the cathedral at our hotel in Palma. This venue is perfect for groups and events, business meetings, corporate parties, social events or private celebrations and we can provide catering options ranging from finger food to a coffee break or an intimate dinner with friends.

THE HIDDEN SUITE

Your most sophisticated event (F)

Our most intimate Suite is easily converted into a function room for private events, being the ideal space to enjoy the exclusivity and charm of our facilities. Just imagine what an anniversary celebration, baby shower, hen night or jewellery presentation would look like in our luxurious suite.
