

GROUP ACTIVITIES

At our resort

› **Spa Circuit** we have a spacious spa (over 2,000 square meters), where you can enjoy the best views while relaxing at the different massage stations, underwater jets, waterfalls, toning showers, bubbles, or in the hamman or sauna. To ensure tranquility, no more than 25 people per session are allowed.

› **Golf Classes:** one of the hallmarks of our resort is its magnificent golf course. Designed by Baron Paul Rolin in 2002, it features 18 holes and carefully maintained vegetation where you can enjoy this great sport. For those wishing to start or perfect their technique, we have professionals who can provide individual or group lessons.

› **Football:** we have a professional football field where matches and tournaments can be organized. A fun way to enhance teamwork outdoors.

› **Escape Room:** packed with puzzles, riddles, enigmas, keys, codes, and all kinds of brain-training activities to achieve a final goal.

› **Team Quiz:** it's a fun contest in the purest TV style where we will test the nerves, knowledge, and abilities of each participant with a competition based on heart-stopping questions.

› **The Academy Awards:** each team must assign different roles within the group, fostering cooperation, communication, and establishing a hierarchy to follow if they want to achieve their goal: creating a short film.

› **Paint & wine:** it's a unique and different experience that will allow you to paint a blank canvas and create a work of art with your own hands, while enjoying a tasting of Jerez wines.

› **Floral Workshop:** discover the magic of flowers with a floral workshop where you can learn to make wild bouquets or beautiful flower arrangements, using professional techniques in a cozy and inspiring atmosphere.

2 KM AWAY FROM THE RESORT

› **'A Campo Abierto' Livestock:** in this estate, the brave bulls of Torrestrella and the horses of Alvaro Domecq graze.

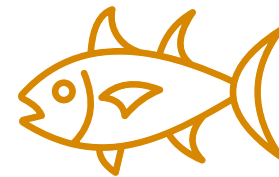

Between March and October, you can visit and see a display of cowboy and classical dressage, enjoy views of mares and brave bulls in freedom, and visit the stables, tack room, and bullfighting museum. All this accompanied by a tasting of Jerez wine.

A 29 KM DEL RESORT

› **Cádiz Atlántica:** is an immersive experience into the history of fishing in Cádiz, particularly of bluefin tuna and its gastronomy, through direct contact with the sea, its coastal environment, and archaeological sites such as Cabo de Trafalgar.

Added to this is the use of live cooking techniques related to bluefin tuna fishing, as well as exclusive access to private and unique buildings like the old "Chanca de Barbate," undoubtedly the most complete premium musealized and gastronomic space centered around almadraba bluefin tuna in existence.

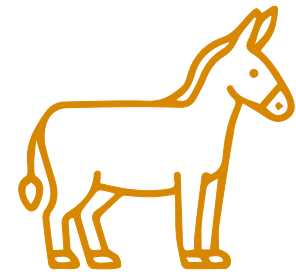

The activity lasts 6 hours and can be customized to suit the group's preferences.

A 26 KM DEL RESORT

› **Fábula Rural:** In the heart of the Los Alcornocales Natural Park, Fábula Rural offers a collection of unique experiences that combine tradition, biodiversity and local culture. Among its most notable activities are:

- Hiking routes: explore Picacho, Aljibe or Molinos de Patrite and discover the local flora, fauna and history.
- Fábula Rural Experience: interact with animals, learn about native livestock breeds and enjoy a donkey ride and local tastings.
- Water routes: follow the Hozgarganta River and uncover its natural pools and historic mills.
- The Rut (La Berrea): observe deer during the mating season and learn about the ecosystem, accompanied by typical local products.
- Cork Harvest Experience (Descorche): immerse yourself in the cork tradition, walking through the cork oak forest on a mule while tasting regional products.

50 KM AWAY FROM THE RESORT (in Jerez de la Frontera)

› **Bodegas Fundador:** historic wineries where you can admire the art of making brandies and Jerez wines. Inside are emblematic places such as El Molino, the oldest winery in the region, founded in 1730, or the Puerta de Rota garden, considered a Cultural Heritage site.

› **Bodegas Gonzalez Byass:** in 1835, Manuel María González bought a small winery in Jerez which he called Tío Pepe in honor of his uncle, who had taught him all about the Jerez wine tradition. Soon, this fino gained recognition nationally and internationally, becoming one of the most recognized Spanish brands worldwide. During the visit, we will tour their facilities, accompanied by a tasting of their flagship products.

› **Bodegas Tradición:** it is the only winery that exclusively bottles very old Jerez wines. Additionally, they combine wine and painting, as their pinacoteca exhibits works by Spanish authors from the 14th to the 19th centuries. During the visit, you will tour the winery area, followed by a visit to the pinacoteca where the guide will comment on some of the exhibited paintings, ending with a tasting of some of their VOS and VORS sherries, with an average age of at least 30 years.
