

Thalasso Sea Spa

In an idyllic setting with a breathtaking view over the endless blue of the Atlantic Ocean, the **Thalasso Sea Spa** was designed to be a truly unique sanctuary of relaxation and well-being. Here, guests can rejuvenate body and mind while experiencing the full therapeutic power of the sea – as it features the only thalassotherapy pool available on Madeira Island! Among the wide range of rituals and treatments offered are facial, body, localized and holistic massages, as well as a variety of beauty services, all performed by the skilled hands of highly trained specialists.

Localização

Located within the **VidaMar Resort Hotel Madeira**, right in the heart of Funchal and just five minutes from the city center, the Thalasso Sea Spa rises above the island's largest oceanfront platform! **A truly exceptional location in Madeira**, remarkable not only for its size and quality, but also for its closeness to the sea and the spectacular views over the Atlantic Ocean and Funchal Bay.

Areas

With a total of 2200 m² of area dedicated to leisure and health, the Thalasso Sea Spa is composed of a wet and a dry area that includes 9 treatments and aesthetics rooms and indoor and outdoor relaxation and massage areas (including three double rooms, one with an outdoor relaxation area) that perfectly complement the lively pool circuit, jacuzzi, sauna, Turkish bath, contrast shower and Vichy shower.

To intensify the relaxation, the Spa Café offers a menu of light and healthy proposals, such as teas, water and natural juices or light meals, with the advantage that they can be enjoyed on a terrace with exclusive access.
